Lake Placid Horse Show Family,

On behalf of the Board of Directors and the entire Lake Placid Horse Shows team, it is my distinct honor to officially welcome you to the 2026 show season. Let me begin by extending congratulations to all our 2025 champions and class winners. Your accomplishments helped define a remarkable season at the Lake Placid Horse Shows, and we look forward to celebrating many more achievements this summer.

The Lake Placid Horse Shows have always been, at their core, a competition run by exhibitors, for exhibitors. That philosophy continues to guide every decision we make, from long-term planning to daily operations. It remains our primary goal to ensure that the experience in Lake Placid reflects the needs, priorities, and aspirations of the equestrian community we proudly serve.

I must first extend my extreme gratitude to the private generosity that funded the significant improvements that you will see at the North Elba Showgrounds. Every enhancement has been made possible through the commitment of all our donors who believe passionately in carrying on the legacy of Lake Placid for generations to come. Every dollar donated directly supports the continued growth, modernization, and longevity of the Lake Placid Horse Shows. As a registered non-profit organization, we depend on your support, and I encourage you to know that no contribution is too small.

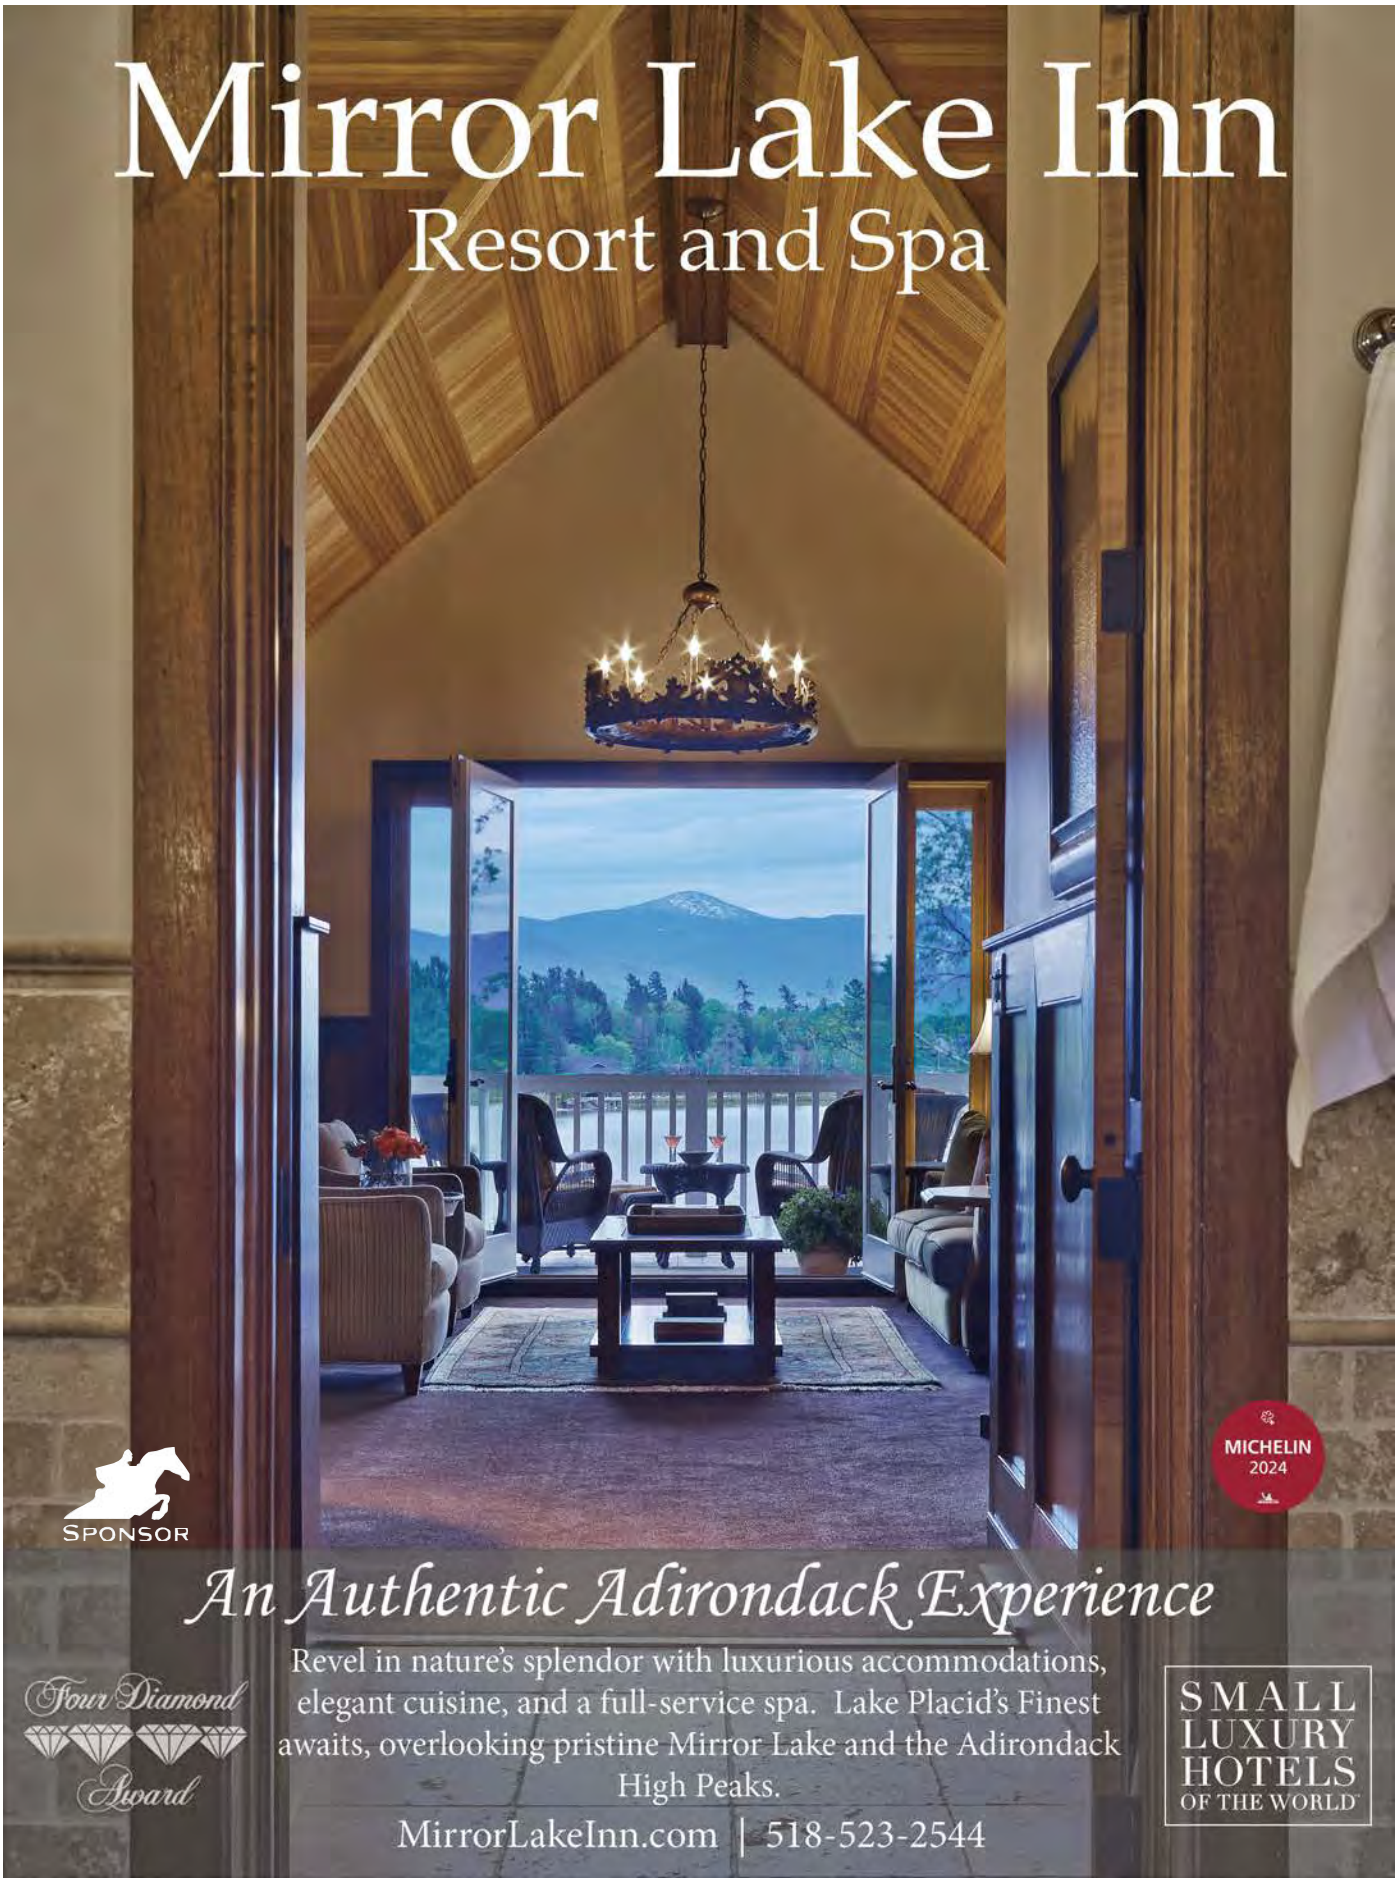

The 2025 show season marked a new milestone as we proudly completed the first year of competition on our newly installed all-weather footing. We could not be more excited to build on that success as we enter our second year on this world class surface. Your enthusiasm, feedback, and trust during this inaugural season was invaluable.

Looking ahead to 2026, we are equally as excited to welcome you to the new clubhouse! A state-of-the-art, enclosed, modern facility designed to elevate the exhibitor and spectator experience alike. This exciting addition was made possible in part through a grant awarded by New York State, led by Governor Kathy Hochul, to the Town of North Elba—whose partnership and support have been instrumental in bringing this project to life. Guests can look forward to expanded dining options, upgraded VIP experiences, additional Wi-Fi access points, and the opportunity to reserve tables for your barn.

It will be our privilege to welcome athletes of every level to our 2026 competition. From lead line riders taking their first trips around the ring, to top-tier competitors battling for the Grand Prix, and everyone in between… welcome to the 2026 Lake Placid Horse Shows. I wish each one of you a safe and successful 2026 show season and I look forward to the lasting memories we will all create together.

Thank you for being an essential part of our community. See you this summer!

Dear Horse Show Participants,

On behalf of the Town of North Elba, it is my pleasure to welcome you to Lake Placid for this year's horse show. Whether you are a competitor, trainer, owner, or supporter, we are honored to have you here as part of a long-standing tradition that brings energy, excellence, and community spirit to our region.

Lake Placid has a proud history of hosting world-class events, and the horse show is no exception. Your presence continues that legacy—showcasing not only remarkable talent and dedication, but also the unique bond between horse and rider that defines this sport.

As we continue renovations of this special facility, we thank you for your patience and understanding. These improvements are part of our commitment to enhancing the experience for all participants and spectators, with completion anticipated in the fall of 2027.

Beyond the showgrounds, we encourage you to take time to enjoy all that our community has to offer. From our scenic trails and lakes to our vibrant Main Street, we hope you experience the natural beauty and welcoming spirit that make North Elba such a special place.

Events like this are made possible through the collaboration of organizers, volunteers, local businesses, and participants like you. We are grateful for your role in sustaining this tradition and contributing to the vitality of our community.
Best of luck in competition, safe rides, and an enjoyable stay. We look forward to welcoming you back year after year.

Warm Regards,

June 2026

Dear Lake Placid and I Love New York Horse Show Participants, Officers, Sponsors and Friends:

It is my privilege and indeed a pleasure for the Village of Lake Placid to WELCOME you to our community and the 56th Annual Lake Placid and I Love New York Horse Shows.

The Lake Placid Horse Show Grounds offer a spectacular setting, well suited for world-class competitions. They are a showplace year-round for other events, but the bustle of the Horse Show is what the grounds were meant for.

As your host for these two premier events, we welcome you and encourage you to enjoy your stay in Lake Placid by seeking out the outstanding dining experiences offered by our many restaurants, hotels and resorts. Beyond the show grounds, there are many other recreational, outdoor, and cultural experiences awaiting you in this Olympic Village. Go for a hike or swim, check out one of the art galleries, or raise a beer at a local brewery.

We look forward to another exciting year of horsemanship. Thank you all for your continued loyal support of our Lake Placid and I Love New York Horse Shows. We wish you a successful event and competition.

Very truly yours,

Art Devlin

a. Handiness is defined as ground saving movement without adversely affecting performance or style.
b. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style.
4. In addition to this base score each judging panel will award an Option Bonus Score for each round.
a. The Option Bonus Score will consist of one additional bonus point for every higher height option fence jumped.
b. The Option Bonus Score for each higher height option fence jumped must be awarded even if there are two refusals, a rail down or loss of good jumping style at the higher height option fence provided the horse-and-rider combination ultimately jumps the higher height option fence.
5. These two scores must be announced separately and then added together to determine each horse-and-rider combination's score for this round from each judge or judging panel.
6. If two judging panels are used, the scores from each of the judging panels will be added together to determine the total score of each horse and rider combination for this round.

D. Soundness
1. Judges have the authority to disqualify a horse due to unsoundness at any time during the competition.
2. In the Traditional Format horses are required to trot a circle on a loose rein at the end of their Classic Hunter Round.

1. Each judging panel will award a base score for each round using the open numerical judging system. The handiness of each round will be reflected in the base score of each judging panel.
2. No judging panel may award the same base score to any two horse-and-rider combinations.
3. If two judging panels are used, the scores from each of the judging panels will be added together to determine the total score of each horse-and-rider combination for this round.

The Lake Placid Horse Show June 23 through June 28 is Proud to be a Part Of The USHJA World Championship Hunter Rider Program

Hunter sections may be run as back-to-back classes at management's discretion (HU125). When classes are run back-to-back, exhibitors may perform both rounds before leaving the ring. All classes will be judged on performance and soundness unless otherwise indicated. Starting orders will be produced and run in accordance with USEF Rule HU126. Courses will simulate fences found in the hunting field such as: brush, wall, in and out, oxer, post and rails, gate, aiken, panels. Individual hunter classes may be entered for 20% of the prize money offered in that class unless otherwise specified.

In all rated hunter sections a numerical score will be given by the judges.

In all classes over obstacles, all horses being considered for an award must jog for soundness using either Option A or Option B below. Management must state in the competition prize list which method of jogging will be used. Horses/ponies that are unsound will be eliminated and ineligible for an award in that class. The judge's decision regarding soundness is final.

Option A: Horses/ponies are required to trot a circle on a loose rein at the end of each over fences performance. Horses/ponies may be asked to return to the ring and trot another circle at the judge's discretion.

Option B: Horses/ponies will be jogged together with the rider unmounted in the judge's order of preference. Two additional entries in addition to the number of ribbons must jog if there are sufficient entries. Horses/ponies may be asked to re-jog at the judge's discretion. A horse/pony may not leave the ring until the job has been declared official by the judge, or it will be eliminated. At Competition Management's discretion, and with at least three (3) Young Hunters entered in any section, the Young Hunter Section(s) may run concurrently with the corresponding Green Hunter height section or Combined Green Hunter Section. Horses that are entered in both the Young Hunter and Green Hunter section(s) will be eligible for awards in both sections. Horses that are not entered in both sections will only be eligible for awards in the section in which they are entered. If there are fewer than three (3) entries in any of the Young Hunter section(s) they must be combined for awards per HU166.3. A separate entry fee for the Young Hunter Section will apply. The Green Hunter section requirements by rating listed in HU166.2 will still apply.
3. Regardless of competition rating, each Young Hunter section that is offered separately must be held separately when there is a minimum of three entries. If there are fewer than three (3) entries in a Young Hunter section that section must be combined with a contiguous fence height section of the Young Hunter. If, after combining, there are still fewer than three (3) entries in the combined section, it must be further combined with the next contiguous fence height section of the Young Hunter. In the case where there are no entries in the fence height section that bridges the gap between the two non- contiguous fence height sections those two non-contiguous fence height sections may be combined.
c. Dividing:
1. Regardless of competition rating, any Young Hunter section that is offered as a combined section must be split by fence height, and sections held separately when there is a minimum of three entries in any one fence height section provided at least three (3) entries remain in each of the other two sections, which would also be held separately, or one other combined section. Contiguous fence height sections should be combined before combining non-contiguous fence height sections.

Green Conformation Hunter 3'6" and High Performance Conformation Hunter a. Number to hold separate sections: three (3).
b. Combining:
1. The Green Conformation Hunter 3'6" may only be combined with the High Performance Conformation Hunter. The High Performance Conformation Hunter may only be combined with the Green Conformation Hunter 3'6".
2. When offered as two sections, if there are fewer than three (3) horses in either the Green Conformation 3'6" or the High Performance Conformation section they must be combined.
3. When combining Green Conformation Hunter with High Performance Conformation Hunter, if different amounts of prize money or entry fees were offered in the original sections, the combined section will use the lower amount for both prize money and entry fees.
c. Dividing: If there are three (3) or more horses in each Conformation section they must be held separately.

Junior Hunter
a. Number to hold separate sections: four (4) in each section. If four (4) compete and only three (3) complete (i.e. one is eliminated or retires) points will be awarded as per GR 1113.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, Competition Management may choose to combine the sections. The Competition Management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ122). When sections are combined as per above, three (3) must complete for points to count.
3. It is recommended that when competitions anticipate 50 horses or more this section be divided by age of rider or height of horse when prize list is prepared.
c. Dividing:
1. When divided, sections must be split using one of the methods from HU161 Methods of Dividing.
2. If there are 50 or more entries in the section at the beginning of the first class it must be divided and the prize money must be doubled.
3. If there are 50 or more entries remaining in a section after it has been divided, the section must be redivided and the prize money must be doubled. Once a section has been redivided it may be divided further if management so desires.
4. If the Junior Hunter sections are divided by height of animal, they must be divided into Large and Small. Premier rated Junior Hunter 3'6" sections at Premier rated competitions must be offered as four sections (large/younger, large/older, small/ younger, small/older).
5. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in any sections divided by age and/or height of animal, those sections must be combined with other sections. If there is a minimum of twelve (12) entries once any sections have been combined, the newly combined section must be redivided.

2. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, competition management may choose to combine the sections. The competition management may choose to combine the sections as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered. In addition, while the sections can be combined if entries warrant, in order for Horse of the Year points to count they must be offered separately in the prize list for Premier rated competitions (see HJ121). When sections are combined as per above, three (3) must complete for points to count.
3. At Premier, National or Regional rated competitions if there are fewer than three (3) entries in the Amateur Owner 3'3", the Amateur Owner 3'6", the Junior Hunter 3'3" or the Junior Hunter 3'6" sections, these sections may be combined. The competition management may choose to combine the classes as necessary, based on the sections with the lightest entries. If sections are combined, the horses must jump the respective height of the original section entered.
c. Dividing:
1. Amateur Owner 3'6" When a section is divided, one section must be offered for amateurs 18-35 and one section for amateurs over 35 years of age. If there are four (4) or more entries in each divided section, the divided sections must be held separately. If there are fewer than four (4) entries in either divided section, they must be combined. If there are a minimum of 12 entries once the sections are combined, the newly combined section must be redivided using either a Floating or California Split. (See HU162 & HU160 for definition of a Floating and California Split.) When using a floating split the age groups must be posted at the competition office. Rider age must be given on the entry blank.

4. Once a section has been re-divided it may not be divided further.
5. If a pony under saddle class has over 30 entries, the class must be split and held in at least two sections with one set of awards.

Notice to All Exhibitors Regarding Helmets, Electronic Devices & Safe Sport Rules

To All Riders: Please note that the Lake Placid Horse Shows would like to reiterate that the mandatory helmet rule that took effect on April 1, 2012, will continue to be enforced this year on the Lake Placid Horse Show Grounds. The rule has been implemented nationwide at all USEF licensed hunter/jumper competitions.

The rule requires that anyone on horseback on the property wear a helmet at all times. This consists of anyone showing, schooling, or riding horses on and off of the show grounds, including grooms. This is a facility-wide rule.

The Lake Placid Horse Shows will be enforcing the rule with the support of the United States Equestrian Federation. This is a zero tolerance policy and must be taken extremely serious as it is for the safety of everyone involved. Anyone on a horse without a helmet will be asked to dismount immediately.

Any insubordination will be penalized and the individuals will be fined and expelled from the property. Helmets must be worn at all times, so please plan accordingly. The Lake Placid Horse Show Association would like to thank everyone for in advance for acting in accordance with the USEF rule GR801 which is stated below.

The USEF rule GR801.2 reads: It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the playing of the National Anthem only; they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fino classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee, Competition Manage- ment, and Licensed Officials must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

ELECTRONIC DEVICES: The unsafe use of electronic devices, as determined by the competition steward in their sole discretion, including cell phones while mounted is prohibited in all areas designated for schooling and exercise, and while lungeing horses on competition grounds. Earphone(s)/Earbud(s) are prohibited in all areas designated for schooling and exercise.

SAFE SPORT Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. All participants must adhere to the U.S. Center for SafeSport Code, USEF Safe Sport Policy, and the Minor Athlete Abuse Prevention Policies. More information about these can be found at www.usef.org.

In this case, in order to qualify for a credit, a scratch sheet must be filled out and presented to the Secretary prior to the start of the class or classes being scratched. In addition, an Official Veterinarian Certificate must be filled out and signed by the Official Competition Veterinarian, certifying the illness or injury, and presented to the Secretary no later than one hour after the final class of the competition.

In order to scratch a horse from classes declared, an official form (scratch sheet) must be filled out and presented to the Secretary before the start of the class being scratched. Upon timely receipt of the scratch form, the entry fee will be credited.

b) The Lake Placid Horse Show Association, The Town of North Elba, North Elba Parks and Recreation District, US Security Associates, and Showtime Jumps LLC and their officials and employees will not be held responsible for any lost, stolen or damaged packages received / delivered to the show grounds.

c) "All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agent or their horses. They are therefore strongly advised to take out third party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."

25. HORSE SHOW VAN PARKING will not be permitted on the show grounds. Upon arrival all drivers will be given directions to a parking lot (with 24 hour security) 2 miles from the show grounds. We find this necessary to alleviate parking congestion on the show grounds.

26. MOTORIZED VEHICLES: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds.

Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

27. LPHS GENERAL & ANIMAL WELFARE POLICY

Upholding the welfare of the horses exhibited here is of primary concern to the Lake Placid Horse Show Association, Inc. and Showtime Jumps LLC. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in the handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. HJ106 All horses while in exercise areas or lunging areas must have a show number attached to the horse or the individual riding or handling. Any horse without the correct number will be asked to leave the area.

At all times for horses competing on the Lake Placid Horse Show grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF, which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 (which defines the USEF's policy on abuse), GR844 (which pertains to Poling), and GR803 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity, and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light, and eliminate those training methods which may be misconstrued, we are maintaining the following policy for all horses competing on the Lake Placid Horse Show Grounds, starting one half hour before the first scheduled class of competition and continuing until the last scheduled class of the competition is completed.

28. POLING AND OFF-SETS:

Manual poling and/or the use of bamboo off-sets are prohibited for all horses competing at the Lake Placid Horse Show Grounds. Any rider, trainer, groom or any other person who is in violation of the rules set forth above will be fined $500 for each incident and may be suspended from further competition for the duration of the scheduled competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo offsets rule is perpetrated will be suspended from competition for the duration of the scheduled competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

All incidents will be reported in the Steward's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

29. USE OF WHIPS & SPURS:

The use of a whip by any rider at any one incident will be restricted to four lashes behind the girth. Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses his whip or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, and be suspended from further competition for a twenty-four (24) hour period starting from the time of the incident.

In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the competition in which the violations occurred and all stabling fees, nominations fees and entry fees will be forfeited.

All incidents will be reported in the Steward's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES

A. New York regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address and destination, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and markings of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on health certificate. Equine Rhinopneuonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination.
